Stay up-to-date with regulatory changes, recalls and best practices

- MCN's clinicians and regulatory experts monitor and review changes daily
- Notifications are delivered directly to your inbox
- Updates are clearly summarized for easy reading

Respond quickly and accurately

- Instantly access MCN's customizable tools, policies, procedures and forms to accurately address regulations
- Share with staff to increase awareness of regulatory changes across your facility or healthcare system

StayAlert! experts monitor:

- US Department of Health and Human Services (HHS)
 - Centers for Medicare and Medicaid Services (CMS)
 - Centers for Disease Control and Prevention (CDC)
 - Food and Drug Administration (FDA)
 - Office of Civil Rights, including HIPAA
- Occupational Services Health Administration (OSHA)
- The Joint Commission (TJC)
- DNVGL Accreditation-NIAHO®
- Center for Improvement in Healthcare Quality (CIHQ)
- The Accreditation Association for Ambulatory Health Care (AAAHC)
- Agency for Health Care Administration (ACHA)
- Community Health Accreditation Partner (CHAP)
- Others

How does StayAlert! support your regulatory compliance?

The email notifications provide a review of key compliance-related information. We include sample customizable policies, procedures, forms and other tools specific to the topic at hand. Your organization can react quickly to changes in healthcare regulations and accreditation organization standards. StayAlert! helps your organization:

- Maintain a state of compliance readiness
- Educate staff on compliance topics with consistent messaging throughout the organization
- Decrease resource allocation for policy creation, updates and compliance monitoring
- Demonstrate to surveyors a commitment to risk management and organizational governance
